From:

To

The Collector,

Nuapada/Sambalpur/Subarnapur & Sundargarh.

Sub: Sanction of additional funds for completion of incomplete WODC funded projects -reg.

Ref: This office letter No.08/WODC dt. 01.01.2022 & No. 1710/WODC dt. 07.04.2022.

Madam/Sir,

In continuation to this office letter under reference, I am directed say that proposals for completion of in-complete projects are being received from different quarters for sanction of additional funds. But, it is observed that a tentative amount has been indicated for completion of such incomplete projects instead of the exact amount required for the purpose.

As per the observations made by the Technical Consultant who used to make scrutiny of the plan & estimates, it has been decided that additional funds for completion of in-complete WODC funded projects are to be considered subject to submission of a complete report complying the following points.

- (i) Present status of the project alongwith photograph.
- (ii) Report on previous funding.
- (iii) Work already done.
- (iv) Balance work to be done.
- (v) Additional funds required for completion.
- (vi) Technically sanctioned plan & estimates in booklet form in two parts
(i) Work already executed & (ii) balance work to be executed.
- (vii) Necessity of the project.

You are therefore, requested to submit the list of such incomplete WODC funded projects complying the above points for needful action at this end.

Yours faithfully,

13/4/2022

Chief Executive Officer
